Ref: **Your letter/proposal of January 10, 1998**

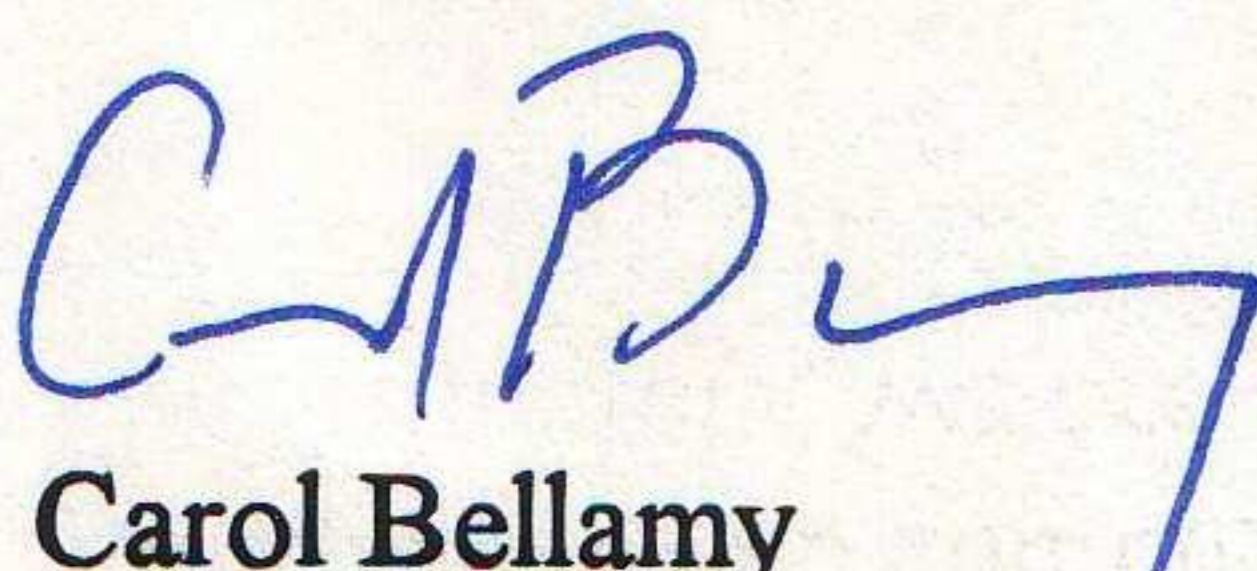

Dear Mr. Greiz:

I wish to thank you for your letter with accompanying description of your organization's initiative for a "global" cycling tour. We at UNICEF are certainly impressed with your organization's humanitarian orientation and your imaginative sports and advocacy project to mobilize healthy and handicapped people alike in your stand against drugs.

We have had a group of our senior staff review your proposal and request for the use of the UNICEF name and endorsement in your various communications/support activities. Unfortunately, we are already engaged in another major integrated advocacy and fundraising project that will lead up to the Millennium and hence cannot support your initiative at this time.

We wish you all the best in the realization of your commendable project and its humanitarian goals.

Yours sincerely,

Carol Bellamy
