

THE SECRETARY-GENERAL

4 May 1998

Dear Mr. Greiz,

I am writing to you in reply to your letter dated 10 January 1998 and the important initiative of the Pelikán Sportorganization to focus global attention on the need to combat drug abuse.

Your organization's "people for people" project involving sportsmen is a wonderful contribution to our efforts at the United Nations to respond to the spread, trafficking and consumption of narcotic drugs. The urgent need for cooperative action in this endeavour will culminate at the U.N. General Assembly's Special Session on Drugs from 8-10 June 1998.

Allow me to express my appreciation for the efforts of the Pelikán Sportorganization to promote these noble objectives.

Yours sincerely,
